PEIMS Extended Year Submission (WIP)

The ASCENDER District Administration application provides program data for each collection from the ASCENDER Business and Student system. These programs are reviewed and modified annually, per the published Texas Web-Enabled Data Standards (TWEDS), to ensure that the data extracted to the district database is as accurate as possible. The extracts provide many of the edits as defined in the TWEDS.

The PEIMS extended submission (Submission 4) includes program data for instructional activities between school years for special education, extended year services (ESY), student data, student flexible attendance for credit recovery, and dual-credit course completion.

The Extended Year submission is due August 28, 2025.
