

extended_submission_enrollment_update

Table of Contents

Use the following screen **in the applicable school year's data** to add and update this data.

Registration > Maintenance > Student Enrollment > W/R Enroll

The screenshot displays the 'W/R ENROLL' tab in a software interface. At the top, there are several tabs: DEMO1, DEMO2, DEMO3, GRADUATION, AT RISK, CONTACT, W/R ENROLL, SPEC ED, GIT, BIL/ESL, TITLE I, IPRS, LOCAL PROGRAMS, and PK ENROLL. The 'W/R ENROLL' tab is active. Below the tabs is a table with columns: Delete, Details, Campus, Entry Date, Exit Date, Reason, ET Verify, Status, Exclusion, Grade, Elig Cd, CTE Elig, Track, Attrib Cd, Camp Res, Camp Acc, Comments, and Res Fac. The table contains one row with the following values: 001, 08-12-20, --, --, 2, --, 10, 1, --, 00, --, --, --, --, --, --, --, --. Below the table is a form with input fields for the same fields as the table. The form includes dropdown menus for Status Cd (2), Exclusion Code (10), Grade Level (10), Eligibility Code (1), and CTE Elig (checked). There are also checkboxes for Residential Facility and Camp Account.

Responsibility Descriptor Code 05 (Non-Enrolled Bilingual/ESL Summer School Participant) is reported in the **StudentEducationOrganizationResponsibility** entity for students with **Student Characteristic Descriptor 19** (Bilingual/ESL Summer School) who have **ADA eligibility code 0**. These students may also be assigned a **status code of 5**.

NOTE: An incoming kindergarten student who participates in the Bilingual/ESL Summer School program before beginning kindergarten must be enrolled in the applicable Extended Year submission year.

On **W/R Enroll**, assign the student **Record Status Code 5 - Not currently enrolled in district, but will attend next year**. Then assign the student the **Summer School BIL/ESL** local program (*Registration > Maintenance > Student Enrollment > Local Programs*). These entries allow the student to be included in the applicable Extended Year PEIMS submission.
