Core Collection: Special Education Language Acquisition (SELA) Submission

This page shows you how to enable and set up Special Education Language Acquisition (SELA). It also lets you add, delete or edit students in it and create interchanges and run reports for it.

Special Education Language Acquisition (SELA) will report data on the language acquisition of children eight years of age or younger who are deaf or hard of hearing or are identified with an auditory impairment or deaf/blindness. It will use the following C053 disability codes: '05' Deaf-Blind or '03' Deaf and Hard of Hearing.

Students are not automatically re-enrolled in SELA Services upon re-enrollment.

The following students meet the requirements for SELA reporting:

- The student is 8 years of age or younger on September 1st of the school year.
- The student has a disability of hearing/auditory impairment or are deaf/blind.

NOTE: SELA services are not included in the transfer utility at this time.

The Special Education Language Acquisition (SELA) Submission is due June 26, 2025.
