Print the Campus Local Program Rollover Status report and verify that the **ASDR Next Year** column is set correctly for each program.

Registration > Maintenance > District Profile > Local Program Codes

Print Local Programs by Campus	Click to print the Campus Local Program Rollover Status report. The report lists the code, description, and ASDR next year status by campus, allowing you to see if a local program will be written to the next year record when ASDR is run. The status is determined by the campus or district options: • If the district **Annual Student Data Rollover** field is Y, the campus **Move Program to Next Year** code and description print in the **ASDR Next Year** column. • If the district **Move Program to Next Year** field is N, the **ASDR Next Year** column displays “Drop Program NYR (By District)” because the district option N overrides the campus **Move Program to Next Year** field.
