Table of Contents

SPPI-11 (Timely Initial Evaluation) refers to compliance with the state-established timeframes (19 TAC §89.1011) for evaluating children, ages 3-21, for special education under Part B of the Individuals with Disabilities Education Act (IDEA).

LEAs will submit student-level data for children who had an eligibility determination (ED) date during the annual data collection period which occurs from July 1 to June 30.

SPPI-11 is a compliance indicator used for meeting federal public reporting requirements for the State Performance Plan/Annual Performance Report (SPP/APR). It is also part of the federally required elements (FREs) used along with the results-driven accountability (⇒) indicators for making annual LEA special education determinations (34 CFR §300.600(a)(2)).
