

grievances_directory

Table of Contents

The Grievances directory is displayed with a list of all available grievance records.

To narrow the results, type/select data in the following search fields:

- **Identifier**
- **Description**
- **From Date Filed**
- **To Date Filed**
- **Type**

Click **Search**. A list of grievance records that match your search criteria is displayed.

Select an identifier from the list. The selected record displays.

Otherwise, click **Cancel** to return to the Grievance Reporting page without making a selection.
