This tab is used to enter prior year ending fund balances (3XXX) as reflected on Schedule C-1 of the audit.

The purpose of these entries is to collect actual audited financial data for the prior school year as it is reported in the PEIMS Mid-Year Submission.

This data is included in the PriorYearActualExt Entity and represents the sum of the financial transactions to date relating to a specific account.

If the fund balance reported on the Annual Financial & Compliance Report (AFR) is a positive amount, it should be entered as a negative amount in ASCENDER.

Year Verify that the correct year is displayed. If not, type the correct four-digit year for which you want to add or retrieve data and click **Retrieve**.

TIP: Keep in mind that you are reporting prior year actual amounts. This means the year you enter should be one year ahead of the fiscal year associated with the fund entries. For example, if reporting on the 2024-2025 year, use data from the 2023-2024 year, entering 2025 in the **Year** field and 4 in the **FY** field for the fund entries.
