## **District Administration > Reports**

This page allows you to select the report you want to generate.

This page allows you to select the report you want to generate.

### **Select a report:**

All available report names are displayed on the left side of the page. The list of available reports remains displayed on the page even after you select a report name. This allows you to select another report within the selected reports menu without exiting the report page.

- Click a report to select it. The parameters for the selected report are displayed on the right side of the page.
  - Type or select the report options. **Parameters in bold are required.**
  - Use the buttons located at the top of the page to generate the report. If the button feature does not apply to the selected report, it is disabled. For example, a certain report may not be available in the CSV format, so the **CSV** button will be disabled when that report is selected.
- **Preview** - Click to generate the HTML view of the report.
  - **PDF** - Click to generate a PDF file of the report.
  - **CSV** - Click to generate a CSV file of the report.
  - **Clear Options** - Click to clear data from all parameter fields.

[Review, save and/or print the report.](#)

### **Sort and filter:**

Some reports may or may not provide the sort and/or filter option.

<b>Sort</b>	<a href="#">Sort report data:</a>
<b>Filter</b>	<a href="#">Filter report data:</a>
<b>Reset</b>	<a href="#">Reset report data:</a>
