**District Administration > Tables > District Information > Fund Balances**

This tab is used to enter prior year ending fund balances (3XXX) as reflected on schedule C-1 of the audit.

The purpose of these entries is to collect actual audited financial data for the prior school year as it must be reported in the PEIMS Mid-Year Submission. This data is included in the PriorYearActualExt Entity and represents the sum of the financial transactions to date relating to a specific account.
