# LEA News - DA1100

## District Administration > Tables > LEA News

This page allows LEA personnel to add and manage important news announcements or upcoming events, and display them on the ASCENDER Homepage dashboard for a specified timeframe and if needed a specified audience. Each news entry allows for a start and end date, a summary (title), and a description.

**Note:** If no records exist on this page either for the user or timeframe and the LEA News element is moved to the main dashboard, then “No news is good news” is displayed by default.

<b>Quick View Title</b>	<p>Type a unique title for the Quick View dashboard element. This field can be a maximum of 40 characters and is required.</p> <p>This field is set to <b>LEA News</b> by default but can be changed. If this element is not displayed on the main dashboard, the element is listed as <b>LEA News</b> under the <b>QV</b> sidebar column. You can use the drag-and-drop feature to move elements from the Quick View back to the main dashboard view.</p>
