First Approver - DA4000

District Administration > Workflow > First Approver

This page is used to create and maintain a list of first approvers for various requests for each campus/department.

Notes:

- Only one approver per campus/department is allowed.
- If an approver is the first approver for multiple departments, the approver needs to be added to the table multiple times.
- Only a first approver is allowed to insert an approver after his/herself.

Add a first approver:
