## Parent: Add/Register Student

With a ParentPortal ID, the parent can add the student to his ASCENDER ParentPortal account and complete online registration for returning students.

Parent: Add/Register Student (PDF) (prints separately) (IS THIS NEEDED FOR PARENTS?)

### Prerequisites:

- This guide assumes that several required steps have already been performed by the district to enable Returning Student Registration and/or Student Data Maintenance at the campus. See [District: Set Up & Enable Forms](#).
- This guide also assumes that:
  - The student is enrolled in the district.
  - The parent's email address for the student is verified via ParentPortal. \*

\* A parent must have already created a ParentPortal account AND verified his/her email address. (Verifying the email address can be done during the creation of a new account or for an existing account on ParentPortal > My Account (**Email Address**)). **NOTE:** The parent's email address MUST match the **E-mail** field on Registration > Maintenance > Student Enrollment > Contact for a contact selected as **Parent/Guardian**.

\* If **Guardian Verified** is selected on Registration > Maintenance > Student Enrollment > Contacts, and the email address for the ParentPortal account matches the email address for that guardian on the Contacts tab, the parent can complete Returning Student Registration and Student Data Maintenance. This workaround allows parents access even if they do not have a valid email address.

You can easily see your student's progress in the registration process and access the page where you can complete the forms.

If your student's registration is in progress, a pop-up window opens from this page.

- ❑ Click **Resume Registration** to continue the registration process.

Or, click **X** to close the pop-up window and continue registration later.

Once you have completed registration, the pop-up window will no longer appear.

**NOTE:** On the Summary page, the **Registration** button will be red, yellow, or green depending on how far along you are in the process.

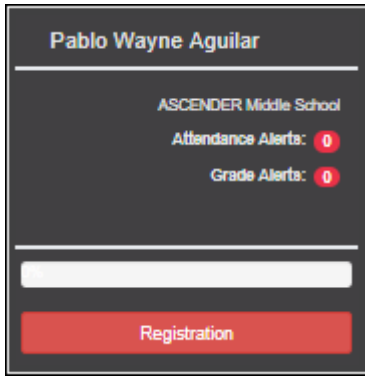

- The information is green if all forms are completed (i.e., 100%).

- The information is yellow if most of the forms are completed (i.e., 50%-99%).

- The information is red if fewer than half of the forms are completed (i.e., 0%-49%).

- The card is highlighted and has a check mark for the selected student.

- To begin or resume the registration process, click **Resume Registration** on the pop-up window, or click the **Registration** button on the student's card.
