## II. View the Summary page and your student's information (if available).

### **ASCENDER ParentPortal > Summary**

The Summary page is the first page displayed when you successfully log on to ASCENDER ParentPortal. This page provides your student's schedule, current average for each class, and attendance for the current date. You may also see a district or campus message if available.

If your student's report card or IPR is available, a link is provided.

#### Mobile App Features

The ASCENDER ParentPortal uses a Responsive Design approach, which means the software detects the screen size and orientation of your device, and changes the layout accordingly so that you have the best viewing experience.

Some features you may experience as the screen gets narrower:

- The side menu will collapse (i.e., hide). Click  to view the side menu.
- Objects on the screen will shift from side-by-side to stacked vertically.
- Grids (such as the student's schedule) will adjust by hiding the columns, beginning with the column furthest to the right. Tap the row to view any hidden data.

Some features you may experience as the screen gets wider:

- Buttons will get wider but not taller.

☐ Select Summary from the Navigation menu to access this page.

### **Student Information**

A student summary card is displayed for each student added to your account which displays the number of unread alerts for your student (according to your alert settings).
