# Form Group Management

**txConnect Admin > Administrator Options > Settings > Forms Management > Form Groups**

This page allows you to create and edit form group headings so you can group related forms.

A form must be added to a group (or to the [Online Registration](#) template) in order to be accessible to parents.

Some groups are included automatically.

**Form Group Management**  
Add forms to groups. This makes forms available for display within the associated group.

Scroll down to view instructions for default groups, new groups, and existing groups.

**NOTE:** Standard forms must be added to a group in order for parents to see them in txConnect. You can create a new group for standard forms, or you can add them to an existing group.

## Update a default group:

For groups that are included by default, you can only modify the **Special instructions** field and add forms to the group.

- External groups only allow you to add static forms.
- The *New Student Enrollment Forms* group allows you to add static and standard forms.

You cannot change the name of a default group.

Click the spyglass icon  under **Available Groups** (right) to edit a group.

The group details are displayed on the left side of the page under **Form Group Detail** (left side).
