Form Group Management

txConnect Admin > Administrator Options > Settings > Forms Management > Form Groups

This page allows you to create and edit form group headings so you can group related forms.

A form must be added to a group (or to the [Online Registration](#) template) in order to be accessible to parents.

Some groups are included automatically.

Form Group Management
Add forms to groups. This makes forms available for display within the associated group.

Scroll down to view instructions for default groups, new groups, and existing groups.

NOTE: Standard forms must be added to a group in order for parents to see them in txConnect. You can create a new group for standard forms, or you can add them to an existing group.

Update a default group:

For groups that are included by default, you can only modify the **Special instructions** field and add forms to the group.

- External groups only allow you to add static forms.
- The *New Student Enrollment Forms* group allows you to add static and standard forms.

You cannot change the name of a default group.

Click the spyglass icon  under **Available Groups** (right) to edit a group.

The group details are displayed on the left side of the page under **Form Group Detail** (left side).
