Form Group Management

txConnect Admin > Administrator Options > Settings > Forms Management > Form Groups

This page allows you to create and edit form group headings so you can group related forms.

A form must be added to a group (or to the [Online Registration](#) template) in order to be accessible to parents.

Some groups are included automatically.

Scroll down to view instructions for default groups, new groups, and existing groups.

NOTE: Standard forms must be added to a group in order for parents to see them in txConnect. You can create a new group for standard forms, or you can add them to an existing group.

Update a default group:

For groups that are included by default, you can only modify **Language Context** and **Special instructions** and add forms to the group. You cannot change the name of a default group.

- External groups only allow you to add static forms.
- The *New Student Enrollment Forms* group allows you to add static and standard forms.

Click the spyglass icon  to edit a group.

Next to **Associated Forms**, click **Add** to add a form to a group. A grid is displayed allowing you to associate forms with the group.

The screenshot shows a web interface for managing forms. At the top, there is a section titled "Associated Forms" with an "Add" button and a subtitle "←Add a form to a group.". Below this is a table with columns: "Del.", "Form Name", "Order", "No Signature", "Visible", and "Required". The first row shows a form named "Ethnicity and Race" with an order of 0 and checkboxes for "No Signature", "Visible", and "Required". A dropdown menu is open under the "Form Name" column, listing various forms. The form "MISD - Handbook Acknowledgement Form" is highlighted in blue. To the left of the table, there are "Hints" with several bullet points. To the right, there is a "Save" button and some partially visible text.
