## txConnect Admin > Administrator Options > Settings > Forms Management

This page allows district-level users to access pages for managing forms for new student enrollment, including static printable forms and customized forms for student online registration and demographic updates.

There are three types of forms that can be maintained via the Forms Management page: standard forms, static forms, and dynamic forms.

- **Static forms** cannot be updated online by parents; they can be viewed, printed, completed by hand, and returned to the campus. Static forms will vary by campus and district, and can be delivered in various formats, such as Microsoft Word, PDF, spreadsheet, etc. Calendars are an example of static documents. **Any static forms you upload should be ADA compliant.**

- **Dynamic forms** are presented online and can be completed and submitted online. These forms may include student online registration and demographic updates, as well as document attachment fields and uploads. Dynamic forms are built from a list of available fields.

### NOTES:

- Default friendly names are initially provided in the program, but they can be changed by administrators as needed. This list reflects the names initially provided.
- The following fields are required: **Contact: Last Name**, **Contact: First Name**, and **Contact: Relation**.
- Field names that begin with DOCSTOR\_ can be added to a form to allow parents to upload these documents. If the ParentPortal-provided standard forms are used in your district, it may not be necessary to use DOCSTOR\_ fields for these particular forms.
- Field names that begin with MOCK\_ are reserved for New Student Enrollment forms (special programs) and cannot be selected for any other dynamic forms.

*Mockingbird ISD*

**NOTICE OF PARENT AND STUDENT RIGHTS  
FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)  
and DIRECTORY INFORMATION**

Mockingbird ISD maintains general education records which are available to the parent, guardian, or person standing in lawful control of the student under a court order. Both parents/guardians have access to the records unless the school is in possession of a court order limiting access.

Federal law provides that student "educational records" are confidential. School records are defined as being directly related to a student and maintained by the school including, but not limited to: attendance, grades, discipline, test scores, health and immunization, and psychological or counseling records. Directory information **is not** confidential under FERPA.

**Certain information about district students is considered directory information and will be released to anyone who follows the procedures for requesting the information unless the parent or guardian objects to the release of the directory information about the student. If you do not want Mockingbird ISD to disclose directory information from your child's education records without your prior written consent, you must notify the district in writing by the tenth (10th) day of the school year.**

Mockingbird ISD has designated the following information as directory information: student's name, address, telephone listing, electronic mail address, photograph, date and place of birth, major field of study, degrees, honors and awards received, dates of attendance, grade level, most recent educational institution attended, participation in officially recognized activities and sports, and weight and height of members of athletic teams.

1. **Student directory information is available to the public unless the parent/guardian restricts the release of the information.** According to the Texas Public Information Act (TPIA), Mockingbird ISD must release directory information promptly upon request and may not ask requestors the reason for the requested information. Parents/guardians have the right to restrict the release of directory information, but must do so in writing within the first ten (10) days of the school year or enrollment or see number 4 below.
2. Parents/guardians may alter their choice regarding directory information at any time by completing and submitting the Student Directory Release form found in the list on the left of this webpage to their child's school. Decisions regarding directory information will remain until a subsequent written request is made to alter the previous decision.
3. Parents with a Parent Portal account may review their child's privacy status and make changes if wanted. Privacy codes may also be changed any time by completing a Student Directory Information Release form (found in the list on the left of this webpage) and submitting it to their child's school.
4. Schools must notify parents and eligible students of their FERPA rights annually. In addition to this form, FERPA information is found in the Student/Parent Handbook available in both English and Spanish online at the district website or a paper copy, by request, from your child's school.

**Food Allergy Disclosure**

Dear Parents,

This form allows you to disclose whether your child has a food allergy or severe food allergy that you believe should be disclosed to the Mockingbird ISD in order to enable Mockingbird ISD to take necessary precautions for your child's safety.

"Severe food allergy" means a dangerous or life-threatening reaction of the human body to a food-borne allergen introduced by inhalation, ingestion, or skin contact that requires immediate medical attention.

Please list any foods to which your child is allergic or severely allergic, as well as the nature of your child's allergic reaction to the food.
