ASCENDER Parent Portal > Alerts

Alerts are messages notifying you if the student has any grades or attendance information you should be aware of, such as an absence, tardy, or low grade.

- **View Alerts** - View alert messages that have been generated according to your alert subscription.
- **Alert Settings** - Change your alerts subscription at any time so that you only receive the alert messages you want to see.

By default, you are automatically subscribed to two alerts:

- Unexcused absence alerts, first occurrence of the day
- Failing grade alerts

You can change your alerts subscription at any time.

If any of your students have alerts, the number of alerts is displayed next to the alert icon in the top-right corner of every page in ParentPortal.

On any page in ParentPortal, click the alert icon in the top-right corner. You can see the two most recent alerts for the student. To view all alerts, you must go to the Alerts page.

View Alerts

View Alerts is the default view.

The number of new, unread alerts is displayed in a red circle.

The complete alert message is displayed under **Description**.

If the student has more than one alert, the alerts are displayed in the order received, with the most recent alert at the top of the list.

Tips:

- New, unread alerts are bold.
- Once you have read an alert, you can select **Read**. The alert will be no longer be bold.
- Clear the **Read** check box to change the alert back to unread.

How would you like to receive alerts?	Indicate if you want to receive alert notices at your email address, sent as text messages to your cell phone, or not sent. The notice will simply inform you that you have one or more unread alerts in your account. You must log on to ParentPortal to view the alert message. • If you were receiving email alert notices, and you removed or changed your email address on the My Account page, you will stop receiving alerts until you reset your **Alert Notification Type**.
