Your existing custom forms are listed. **Active Forms** are listed first, and **Archived Forms** are listed below active forms.

To translate an *English and Spanish* form into Spanish, select Spanish from the **Language** drop-down menu and select **Edit**.

WARNING: When translating into Spanish, only translate the text, **do not** change the order of the Questions or add any Questions. Doing so will cause data in the Spanish version to become out of sync with the English version.

Click **Edit** to view/modify a form.

The form opens in editing mode. You can make changes as described on [Custom Forms > Create Custom Form](#).

NOTE: Custom Forms with data attached have limited edit capabilities. The campus cannot be edited and fields cannot be rearranged, deleted or duplicated. If major changes are required,

it is recommended to use the **Copy Form** feature to create a new form.
