

ASCENDER GUIDES

Table of Contents

The screenshot shows a three-step enrollment process. Step 1 is 'Enrollment Overview', Step 2 is 'Enrollment Key' (highlighted in yellow), and Step 3 is 'Addresses & Contacts'. The main content area for Step 2 is titled 'Express Enrollment for Barry Holland' and 'Obtain and verify an Enrollment Key.' It contains the instruction: '1. Enter the letters displayed below in the box provided, and click Continue.' Below this is a CAPTCHA image showing the letters 'MKPDTT' in a distorted font. There is a text input box and a blue 'Continue' button.

This option is primarily used during a short-term enrollment event, such as Kinder Roundup.

For this option, a key is generated once you correctly enter the CAPTCHA code. To do this, follow these steps:

1. Type the CAPTCHA code exactly as it appears on the page.
2. Click **Continue**.

This is a close-up of the CAPTCHA input section. It shows the instruction '1. Enter the letters displayed below in' followed by the CAPTCHA image 'MKPDTT'. Below the image is a text input box containing the text 'MKPDTT' and a blue 'Continue' button.

If you typed the CAPTCHA code correctly, the message “Your key has been created and verified!” is displayed.

The screenshot shows the success message screen. It has the same header 'Express Enrollment for Barry Holland' and 'Obtain and verify an Enrollment Key.' The main area is a large yellow box with the message 'Your key has been created and verified!' and a blue 'Continue' button in the bottom right corner.
