The student's class schedule is displayed if enabled by the district, including period, course title, teacher name, room number, current attendance and current grade average for each class.

MOBILE DEVICE USERS: On a mobile device, only the period, course, and current average are visible initially. Tap a row to view the complete details for each class.

Instructor	If the teacher has provided an email address, the teacher's name is displayed as a link to that email address. If you click the name, the default email client (as specified in your Internet Options settings) opens with the teacher's address in the To field. **TIP:** If you use web-based email (e.g., Gmail or Yahoo! Mail), you can copy the email address from the default email client to a web-based email message.
📄	If the teacher has provided additional notes, click 📄 to view the notes. The notes open in a pop-up window. Click anywhere on the page to close the pop-up window.
Last Updated	The date when the teacher last updated grades or attendance is displayed.
Current Average	The student's current grade average for each class is displayed. If the course is set up to post letter grades, letter grades are displayed. If the course is not graded, the message "Non-graded Course" is displayed in place of a grade.
Today's Attendance	Attendance for the current date is displayed for each class if it has been posted. Otherwise, it is blank. If the student is enrolled in an elementary campus which has only one period, one attendance status is displayed for the entire day.
