## Online Registration

Campuses typically require enrolled students to re-register each year for the upcoming school year and to complete forms that are required annually. Online registration typically occurs during a range of dates according to district requirements.

Log on to ASCENDER ParentPortal. The Summary page opens. From the Summary page, you can access all of your student's required registration forms.

If you have logged on during the active online registration period, a pop-up window opens. Click X to close the window.

You can select **Do not show this again** to disable the pop-up windows.

The district tracks the required registration forms to ensure that they are submitted for all students. Icons are displayed next to the forms to indicate the status of each required form for your student(s):
