# ADSY Attendance (Additional Days School Year)

**Attendance > Maintenance > Addtnl Days Program > ADSY Attendance**

This page allows you to retrieve students who are enrolled in the Additional Days Program.

All students in the group must be absent on the same date and enrolled in the same local program, but they may be on different attendance tracks. You can also overwrite existing posted attendance (an Overwrite Warning pop-up window will be displayed).

**NOTE:** Students are enrolled in a local program on [Registration > Maintenance > Student Enrollment > Local Programs](#).

During the setup process on Registration > Maintenance > District Profile > Local Program Codes, the **Program Title** must be *Additional Days Program* in order for the screen to retrieve the proper local program code.

For Extended School Year Reporting purposes, this local program must be designated for Additional Days School Year in State Reporting > Options.
