## Attendance > Maintenance > Flexible Attendance > Weekly Register Worksheet

This page allows you to record flexible attendance data collected from the district weekly register data, which has already been calculated by district staff. Enter one record for each student who participated during the selected week. If a student has more than one grade level, track, campus, or instructional setting for the specified week, you must enter additional record(s).

### Modify a record:

<b>Track</b>	Select the attendance track. Only tracks established for the campus in the Attendance application are listed.
<b>Cycle</b>	Type the one digit cycle (1-8).
<b>Week</b>	Type the reporting week (1-9).

Click **Retrieve**.

<b>No of Days Taught</b>	The number of days of instruction for the specified <b>Cycle</b> is displayed. TWEDS Data Element: NUMBER-DAYS-TAUGHT (E0935)
<b>Cycle Date Range</b>	The begin and end dates for the specified <b>Cycle</b> are displayed.

Any student records already entered for the specified week are displayed.

Click **+Add** to add a student record for the specified week.

A blank row is added to the grid.

<b>Student ID</b>	Begin typing the student ID (with leading zeros). As you begin typing, a drop-down list displays students whose ID begins with the numbers you have typed. The drop-down list displays the students' full name and grade level. From the drop-down list you can select the student.  Only students who are currently (or have been during the school year) coded as eligibility code 7 or 8 are listed.
