## Attendance > Reports > Attendance Reports > Students > SAT0400 - Daily Attendance Summary

This report provides daily beginning and ending membership totals, new entries, withdrawals, status changes, and eligibility totals for each grade level. The report is used to verify first day counts and daily attendance. It also lists daily posted absences for each grade level during the average daily attendance (ADA) attendance period. If errors are encountered, an error report is produced.

Historical attendance data can be accessed by changing the **School Year**.
