SAT3650 - Detail Attendance Audit By Course

Attendance > Reports > Attendance Reports > Students > SAT3650 - Detail Attendance Audit By Course

This report provides attendance posting data from a specified date to the current date, sorted by course number. Historical attendance data can be accessed by changing the **School Year**. The list includes the period, absence code, course number, user ID, and posting date/time associated with the absence date. Comments are also displayed from Maintenance > Student > Student Posting > By Date/Course.

Report field descriptions

Posted By	This is the user who originally posted the absence type.	
User Name	This is the first and last name of the user who added, modified, or deleted the absence.	

Run the report:

Parameter	Description
Ending School Year (YYYY)	Type the four-digit ending school year. For example, for the 2023-2024 school year, type 2024.
Campus ID	Type the three-digit campus ID, or click ito select the campus.
Period (A=All, Blank=ADA Period)	Type a two-digit period, or type A to select all periods. Leave blank to select the ADA period.
Attendance Track (Blank for All, Required for ADA)	Type the two-digit attendance track. Leave blank to select all tracks. If a track is specified, absences are only displayed for students enrolled on the track for the absence date. If Period is blank, the track is required.
From/To Date (MMDDYYYY)	Type the date, or click 📰 to select the date from a calendar. Leave From Date blank to use the first day of school. Leave To Date blank to use the last day of school.
Course Nbrs (Blank for All)	Type the course number(s), including all leading zeros and separating multiple courses with a comma (e.g., 0100,0110). Or, click to select the course(s). Leave blank to select all courses in the district.
