# Victim Information

**Discipline > Maintenance > Student > Maintenance > Victim Information**

This page allows you to add, modify, or delete student information related to bullying and harassment incidents.

If a court-ordered restriction exists, all incident data for the student is restricted.

**Update data:**

If you accessed this page by clicking **Victim** on the Maintenance tab, the Victim Information tab displays the offending student's discipline incident information in the **Bully/Harass Reason** (middle) grid. Click **Save** if no changes are needed.

- **Incident Victims** can only be added to an existing discipline incident record (i.e., you accessed the page by clicking **Victim** on the Maintenance tab).
- The **Victim** button is only enabled when the **Bully Reason** field on the Maintenance tab is set to a value other than *None*.
- The **Incident Victims** (bottom) grid remains blank if the victim record is not associated with an existing discipline incident record.
