## **Discipline > Maintenance > Tables > Campus Level > Administered By**

This tab allows you to create a list of employees (other than principals and counselors) who may handle a discipline incident and take action. The entries in the table are included in the drop-down list of the **Administered by** field on [Discipline > Maintenance > Student > Maintenance](#).

Employees who are in the Principal/Counselor table do not need to be added to the Administered By table.
