State Reporting > Crosswalks

This process will crosswalk the Campus ID for the Staff Responsibility record.

NOTE: This applies when the Additional Days School Year (ADSY) Program is held at a campus other than the enrolled campus.

The 4-digit Course number should be specific to each campus. Individual Course numbers will need to be created on Grade Reporting > Maintenance > Master Schedule > Campus Schedule > Section and then crosswalked.

The Campus ID indicated in the crosswalk will generate as the Campus ID for the Staff Responsibility Record.
