Search for the course by course number, title, abbreviated name, or service ID:

- Select the field by which you want to search for courses.
- Type all or part of the search phrase.
 - The search retrieves courses that *begin* with the characters or numbers you typed. For example, if you select *Title*, type 'eng' to retrieve all courses with a title that start with Eng.
 - For *Course Number*, you must include leading zeros.
 - Leave blank to retrieve all courses.
- Click **Retrieve**.

A list of courses that meet the specified criteria is displayed. **Confirm that the course is listed in the campus master schedule.**

- You can re-sort the grid by clicking on an underlined column heading. It will sort in ascending order. Click it again to sort in descending order.
- If more courses are retrieved than can be displayed on one page, you can page through the list. Pagination is only available if more courses are retrieved than can be displayed on one page. See online Help for assistance.

If the course is not in the campus master schedule, it must be added using the Course Selection tab as described next.

Grade Reporting > Maintenance > Master Schedule > Campus Schedule > Course Selection

Select the **Credit Level** and click **Retrieve**.

All courses in the district master schedule are listed under **District Courses to Add** (left grid), except for courses that have already been selected for the campus master schedule.

Select the course(s) in the left grid that need to be added to the campus master schedule.

Click -> to add the selected course(s) to the campus master schedule. The course(s) move to the right grid.

Click **Save**. You should now be able to retrieve those courses on the Course tab as described next.

Grade Reporting > Maintenance > Master Schedule > Campus Schedule > Course
