# Table of Contents

<b>Grad Plan</b>	Select the graduation plan you want to assign to one or more students. The description of the plan and the PEIMS graduation type description are displayed.
------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------

☐ Click **+Add** to add a student.

A blank row is added to the grid.

<b>Student</b>	Begin typing the student's name or ID (including leading zeros). As you begin typing the number, a drop-down list displays students whose name or ID <i>begins with</i> the characters you have typed. The student's grade level is displayed in parentheses, and WD is displayed if the student is withdrawn or a no show. From the drop-down list, select the student.  If you do not know the student ID, click  to search for a student in the <a href="#">directory</a> .
----------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

The student's name and grade level are displayed.

<b>Current Grad Plan</b>	If a graduation plan is currently assigned to the student, the code for the plan is displayed.
<b>Status</b>	The field indicates if the student is active or withdrawn.
	Remove a student from the list.

☐ Click **Execute**.

You are prompted to confirm that you wish to continue. Click **OK**.

The Grad Plan Assignment Summary report opens, which provides a list of graduation plan changes and default assignments that occurred as a result of assigning a graduation plan to the student(s) for the first time.

#### Report data:

<b>Previous Grad Plan</b>	The code for the previous graduation plan is displayed if it exists. Otherwise, "none" is displayed.
<b>New Grad Plan</b>	The code for the new graduation plan is displayed.

If any courses were added, they are listed, including the course number, course title, credits, and service ID. Otherwise, assignment exceptions will indicate why courses were not added.

If a course is already set to at least one applicable subject area in the new graduation plan, the course's subject area will not be changed.
