

health_tables_medical_condition_body

Table of Contents

Existing medical condition codes are listed in order by code. The system codes are listed first, and user-defined codes are listed next.

Click **+Add** to add a medical condition.

A pop-up window opens.

Code	Type the five-character code for the medical condition. The code must begin with UD followed by three characters (e.g., UDABC).
Description	Type a description for the code, up to 80 characters.
level	Select the security level for the medical condition. The more confidential the condition, the higher the security level. For example, select <i>Level 3</i> for a highly confidential condition.

Click **OK** to close the window.

The new medical condition is displayed in the grid.

Click **Save**.

	<p>Edit a description.</p> <p>Update the fields as needed, click OK, and then click Save. The changes are displayed in the grid. Or, click Cancel to close the window without making changes.</p>
	<p>Delete a code.</p> <p>1. Click  to delete a row. The row is shaded red to indicate that it will be deleted when the record is saved. You can select multiple rows to be deleted at the same time.</p> <p>2. Click Save. You are prompted to confirm that you want to delete the row. Click Yes to continue. Otherwise, click No.</p> <p>You can save edits and delete records in the same step (i.e., the changes are all committed when the record is saved).</p> <p>You cannot delete a medical condition code that is used in a student record.</p>
