

**registration\_student\_miscellaneous\_primary\_language**

# Table of Contents

Click  to [select the primary language](#) spoken by the student. If blank, the value in **Default Home Language Cd** on [Maintenance > District Profile > Control Info](#) is used to supply this information on reports.

**NOTE:** Once you accept the student's Home Language Survey, this field is updated according to the parent's answer to the question **What language does the child speak most of the time?**
