Select Assessment Type

The assessment lookup displays all available assessments.

Select an assessment:

- Assessment types are listed in alphabetical order. The list [can be re-sorted](#).

You can re-sort the grid by clicking on an underlined column heading. It will sort in ascending order. Click it again to sort in descending order.

A triangle next to the column heading indicates the column by which the grid is currently sorted and whether it is sorted in ascending  or descending  order.

- To search for an assessment, begin typing the assessment name in the **Search** field. The list is automatically filtered to display the assessments that contain the characters you have typed.
- When you locate the assessment type you want to retrieve, click the name. The lookup closes, and the field/parameter is populated with the code.
- Click **Cancel** to close the lookup without selecting an assessment.
