ParentPortal Single Sign-on

Beginning January 2, 2023, Cambium Assessment, Inc. offered the ability to integrate Single Sign-On for families through their respective Student Information Systems. Parents are now able to access their students' results through the ASCENDER ParentPortal, which bypasses the TEA Family Portal login screen.

This capability is available for all districts utilizing the ASCENDER ParentPortal and the Test Scores application.

Parents can use the Single Sign on, if the student has a TEA Unique Access code in the Test Scores application as seen highlighted below:
