# ParentPortal Single Sign-on

Beginning January 2, 2023, Cambium Assessment, Inc. offered the ability to integrate Single Sign-On for families through their respective Student Information Systems. Parents are now able to access their students' results through the ASCENDER ParentPortal, which bypasses the TEA Family Portal login screen.

This capability is available for all districts utilizing the ASCENDER ParentPortal and the Test Scores application.

Parents can use the Single Sign-on option, if the student has a TEA Unique Access code in the Test Scores application as seen below:

Actions		SUBJECT INFORMATION															
Delete	Details	Season	Admin	Year	Grd Lvl	Ctry Dist	Camp	EOC Type	Objective/Category Score 1	Objective/Category Score 2	Objective/Category Score 3	Objective/Category Score 4	Objective/Category Score 5	Objective/Category Score 6	Objective/Category Score 7	Raw Scr	Scale Scr

**NOTE:** The TEA Unique Access Code is automatically entered for a student when result files are imported into ASCENDER.

If the student has a TEA Unique Access code on file, the parent can log in to ASCENDER ParentPortal and go to *Summary > Texas Assessments*.

- Click on the **Texas Assessment** button to be automatically directed to the student's scores in the Family Portal.
