

tsdsuniqueidbutton

Table of Contents

- ☐ Click **TSDS Unique ID**. The Texas Unique Staff ID pop-up window is displayed.
 - In the **User ID** and **Password** fields, type the user ID and password provided by TEAL for the service account to use the Unique ID Web Service.
 - Click **Search** to search through the TSDS Unique ID database. If the employee has never been assigned a TX Unique ID, a message is displayed indicating that the Unique ID cannot be found with the provided credentials.
 - Click Assign New ID. If the employee record contains the necessary demographic information (Staff ID, Last Name, First Name, SSN, and DOB), the employee's information is displayed and a Unique ID is generated. If the employee has multiple records, a list of records is displayed.
 - ∘ Staff ID
 - Tx Unique Staff ID Displays the Unique ID.
 - Last Name
 - First Name
 - ∘ SSN
 - o DOB
 - Status Displays the status of the employee's Unique ID record from the Unique ID Web Service. This status varies based on the individual employee's record.
 - Review the row(s) of employee data, select the radio button for the correct employee row and click **Assign New ID**. The Unique ID is populated in the **Texas Unique Staff ID** field on the Demographic Information tab.
 - Click X to close the Texas Unique Staff ID pop-up window and return to the Demographic Information tab.
 - Click **Cancel** to cancel the process. The pop-up window is closed and the Unique ID is not populated on the Demographic Information tab.

Note: If you click **Cancel**, the Unique ID that was generated for the employee will still exist in the Unique ID Web Services and will be available for assignment if you revisit the employee record.

☐ Click **Save** to assign and save the Texas Unique Staff ID to the employee's record in Personnel.
