## Grade Reporting > Maintenance > Tables > Campus Control Options > Parameters

This tab allows you to set campus grade reporting options for the current school year.

### Update data:

Under **Options**:

The following settings apply to the entire campus (all tracks):

<b>Current Semester</b>	Select the current semester.
<b>Current Cycle</b>	Select the current grading cycle in the current semester.
<b>Low Grade Level</b>	Select the low grade level for grade reporting.
<b>High Grade Level</b>	Select the high grade level for grade reporting.
<b>Type of Grading</b>	Indicate if the the campus uses alpha or numeric grades in computing grade averages. If both are used, select <i>Numeric</i> .
<b>Beginning Period</b>	Type the first period of the day for grade reporting using two digits (e.g., 01).
<b>Ending Period</b>	Type the last period of the day for grade reporting, using two digits (e.g., 08).
<b>Nbr of Reporting Semesters</b>	Select the number of semesters the campus uses for grade reporting. The number cannot exceed the district maximum (i.e., <b>Reporting Semesters</b> on <a href="#">Grade Reporting &gt; Maintenance &gt; Tables &gt; District Control Table</a> ). This setting applies to every track at the campus, and determines which <b>Semester # Cycle #</b> end date fields are enabled below in the <b>Track End Dates</b> section.
<b>Nbr of Cycles Per Semester</b>	Select the number of grade reporting cycles per semester. This setting applies to every track at the campus, and determines which <b>Semester # Cycle #</b> end date fields are enabled below in the <b>Track End Dates</b> section.
<b>Date School Started COVID-19</b>	Enter the first date that the campus was closed due to COVID-19. <ul style="list-style-type: none"> <li>The date must be valid membership date. It cannot be the first/last day of school, inservice, weekend, or holiday.</li> <li>If the start date contains a value, additional <b>COVID-19 Options</b> field are displayed.</li> </ul> <p><b>NOTE:</b> The semester-cycle that COVID-19 starts is calculated by using the <b>Track End Dates</b>. The field is only displayed for the 2019-2020 school year.</p>

**NOTE:** ParentPortal alerts are sent out based on the **Current Semester** and **Current Cycle** set on this page.

Under **Track End Dates:**

<b>Track</b>	Select an attendance track to set up grade reporting cycle end dates for that track.
<b>Semester # Cycle #</b>	<p>In the <b>Cycle #</b> fields for each <b>Semester</b>, type the end dates for each grading cycle in the MMDDYYYY format.</p> <p>Edits:</p> <p>Two-semester, two-cycle campus:</p> <ul style="list-style-type: none"> <li>• End date for semester 1-cycle 2 must match the last membership day in semester 1 in the attendance calendar for that track.</li> <li>• End date for semester 2-cycle 2 must match the last day of school for that track.</li> </ul> <p>Two-semester, three-cycle campus:</p> <ul style="list-style-type: none"> <li>• End date for semester 1-cycle 3 must match the last membership day in semester 1 in the attendance calendar for that track.</li> <li>• End date for semester 2-cycle 3 must match the last day of school for that track.</li> </ul> <p>Four-semester, one-cycle campus:</p> <ul style="list-style-type: none"> <li>• End date for semester 2-cycle 1 must match the last membership day in semester 1 in the attendance calendar for that track.</li> <li>• End date for semester 4-cycle 1 must match the last day of school for that track.</li> </ul> <p><b>WARNING:</b> If you change a cycle date and it no longer matches the Grade Reporting calendar, TeacherPortal 's working semester averages could be adversely affected.</p>
