Grade Reporting > Reports > Grade Reporting Reports > Student Verification > SGR3500 - Transfer Course Discrepancy Report

This is a temporary report that lists duplicate courses that have service ID type PEEQ and AAR Use Code W or P. A second report is also printed that lists duplicate courses that have different course titles, and courses with no local course number. The reports allow the district to identify and delete the duplicate courses from [Maintenance > Student > Individual Maint > Prior Yr Transfer](#).

The report has no parameter options. Select the report to run it.
