# Medical Condition (Student)

**Health > Maintenance > Student Health > Medical Condition**

This tab allows you to maintain information about a student's medical condition.

This tab is not enabled until you retrieve a student.

## Update data:

[Select a student](#)

☐ To retrieve a student's records, select the student in one of the following ways:

|                            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Student</b>             | <p>Begin typing the student ID (with leading zeros) or last name. As you begin typing, a drop-down list displays students whose ID or last name <i>begins with</i> the numbers or characters you have typed. The drop-down list displays the students' full name and grade level. From the drop-down list you can select the student.</p> <p>The student can also be located by typing the name in one of the following formats:</p> <ul style="list-style-type: none"><li>• Last name, comma, first name (smith, john)</li><li>• Last name initial, comma, first name initial (s,j)</li><li>• Comma, first name (,j)</li></ul> |
| <b>Texas Unique Stu ID</b> | <p>Type all or part of the student's Texas Unique Student ID to retrieve students whose ID <i>begins with</i> the characters you typed.</p> <p>If the student does not have a Unique ID, click <a href="#">TSDS Unique ID</a> button to connect to the TSDS Unique ID Web Service and obtain an ID. Your LEA must have the appropriate credentials through Texas Education Agency Login (TEAL) before this functionality can be used.</p> <p>Review the <a href="#">Assign a TSDS Unique ID</a> guide for additional information.</p>                                                                                           |
| <b>Directory</b>           | <p>Click to select a student from the <a href="#">Directory</a>.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

|                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>(photo)</b> | <p>If a photo exists for the student, the student photo is displayed.</p> <p>From <a href="#">Registration &gt; Maintenance &gt; Student Enrollment</a>, you can change the student photo:</p> <ol style="list-style-type: none"> <li>1. Hover over the image, and click <b>Change</b>. The Change Student Photo window opens.</li> <li>2. Click <b>Choose File</b>. Locate and open the file for the new image.</li> <li>3. Click <b>Save</b>. The window closes, and the new image is displayed.</li> </ol> <p>Photos are not displayed in all applications. They are displayed in Attendance (Inquiry), Discipline, Grade Reporting, Graduation Plan, Health, Registration, and Scheduling. They are not displayed in Special Ed or Test Scores.</p> |
|----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

The student's existing medical condition records are displayed.

[The list can be re-sorted.](#)

You can re-sort the grid by clicking on an underlined column heading. It will sort in ascending order. Click it again to sort in descending order.

A triangle next to the column heading indicates the column by which the grid is currently sorted and whether it is sorted in ascending  or descending  order.

Click **New** to add a medical condition record. The fields below the grid are enabled.

|                                      |                          |                                                                                                                                                                                                       |

## Documents

[View or attach supporting documentation.](#)

**Document Attachments**

The Document Attachments feature allows you to upload and view documents by application, school year, folder, and document type. **This feature is not available in all districts.**

If you are logged on as a user assigned to a Document Attachments-enabled role, the **Documents** button is displayed on various pages in the ASCENDER Student system. If a document is attached, the **Documents** button displays a note icon.

If you have full access, you can upload and download files. If you have read-only access, you can download existing files, but you cannot upload files.

If you are logged on with a role that does not have security access to Document Attachments, the **Documents** button is *not* displayed on any pages.

**Upload or view documents:**

☐ Under **Document List:**

|                           |                                                                                                                                                                                                                                                                                                                                                                                                  |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Application</b>        | The application you are currently logged on to is displayed (e.g., Test Scores).                                                                                                                                                                                                                                                                                                                 |
| <b>Folder</b>             | In some applications, you must select the folder for which you want to view or attach a document: <ul style="list-style-type: none"> <li>Different types of documents must be uploaded to specific folders.</li> <li>Changing the folder will change the document type options in the <b>Select Type</b> field.</li> </ul> Some applications only have one folder, so no selection is necessary. |
| <b>Select School Year</b> | Select the school year for which you want to view documents. Student documents are stored by year.                                                                                                                                                                                                                                                                                               |

Existing documents are displayed according to specified criteria.

☐ Under **Document Upload:**

|                              |                                                                                                                                                                                                           |
|------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Select File to Upload</b> | Click <b>Choose File</b> . Locate and select the document on your computer or network. The file name is displayed next to <b>Choose File</b> .<br><b>Note:</b> Files cannot be larger than 10MB or empty. |
| <b>School Year</b>           | Select the school year for which you want to view documents. Student documents are stored by year.                                                                                                        |
| <b>Select Type</b>           | Select the type of document you are uploading. The list varies according to your selection in the <b>Folder</b> field.                                                                                    |
| <b>Description</b>           | Type an optional description of the document.<br><b>Note:</b> The description cannot be longer than 255 characters.                                                                                       |

|                    |                                                                                                                                             |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Upload File</b> | Click to upload the file for the student.                                                                                                   |
|                    | The document is listed in the <b>Document List</b> section.                                                                                 |
|                    | The date-time stamp and user ID display the date and time the document was uploaded, and the user ID of the user who uploaded the document. |

Any changes made in the Document Options window are saved when you close the window.

|                                                                                     |                                                                                                                           |
|-------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------|
| <b>Type</b>                                                                         | Click the link in the <b>Type</b> column to download the file to your PC to view it.                                      |
| <b>Choose File</b>                                                                  | Click again to add another document, and repeat the steps for uploading a document.                                       |
|  | Click to delete the document from the student's record. You are prompted to confirm that you want to delete the document. |

**NOTES** Deleted documents are not actually deleted from the Document Attachments server. You can retrieve deleted files using the Document Attachments File Recovery utility in District Administration.
