Select a student

☐ To retrieve a student's records, select the student in one of the following ways:

Student	Begin typing the student ID (with leading zeros) or last name. As you begin typing, a drop-down list displays students whose ID or last name <i>begins with</i> the numbers or characters you have typed. The drop-down list displays the students' full name and grade level. From the drop-down list you can select the student. The student can also be located by typing the name in one of the following formats: • Last name, comma, first name (smith, john) • Last name initial, comma, first name initial (s,j) • Comma, first name (,j)
Texas Unique Stu ID	Type all or part of the student's Texas Unique Student ID to retrieve students whose ID begins with the characters you typed. If the student does not have a Unique ID, click TSDS Unique ID button to connect to the TSDS Unique ID Web Service and obtain an ID. Your LEA must have the appropriate credentials through Texas Education Agency Login (TEAL) before this functionality can be used. Review the Assign a TSDS Unique ID guide for additional information.
Directory	Click to select a student from the Directory.

(photo)	If a photo exists for the student, the student photo is displayed.
	From Registration > Maintenance > Student Enrollment, you can change the student photo:
	1. Hover over the image, and click Change . The Change Student Photo window opens.
	2. Click Choose File . Locate and open the file for the new image.
	3. Click Save . The window closes, and the new image is displayed.
	Photos are not displayed in all applications. They are displayed in Attendance (Inquiry), Discipline, Grade Reporting, Graduation Plan, Health, Registration, and Scheduling. They are not displayed in Special Ed or Test Scores.

The student's existing spinal screening records are displayed.

• The list can be re-sorted.

You can re-sort the grid by clicking on an underlined column heading. It will sort in ascending order. Click it again to sort in descending order.

A triangle next to the column heading indicates the column by which the grid is currently sorted and whether it is sorted in ascending \boxtimes or descending \boxtimes order.

Click **+Add** to add a spinal screening record. The fields in the free-form area below the grid are enabled.

View or attach supporting documentation.

Document Attachments

The Document Attachments feature allows you to upload and view documents by application, school year, folder, and document type. This feature is not available in all districts.

If you are logged on as a user assigned to a Document Attachments-enabled role, the **Documents** button is displayed on various pages in the ASCENDER Student system. If a document is attached, the **Documents** button displays a note icon.

If you have full access, you can upload and download files. If you have read-only access, you can download existing files, but you cannot upload files.

If you are logged on with a role that does not have security access to Document Attachments, the **Documents** button is not displayed on any pages.
