Update data:

Existing codes are displayed in order by code.

Click **+Add**. A blank row is displayed added to grid.

Field	Description
Program Code	Select the district program code. These codes are established by the district on Registration > Maintenance > District Profile > Local Program Codes .
Program Title	The program title for the selected code is displayed.

Field	Description
Move Program to Next Year	<p>Select the code indicating how Annual Student Data Rollover (ASDR) handles local programs. This field only applies if the district-level Move Program to Next Year field is set to Y on Registration > Maintenance > District Profile > Local Program Codes.. Otherwise, this field is ignored.</p> <p>You can drop the program for next year, keep the program but drop all students from the program, or keep the program and re-enroll all students.</p>

Click **Save**.

Other functions and features:

Delete a row.

1. Click  to delete a row. The row is shaded red to indicate that it will be deleted when the record is saved. You can select multiple rows to be deleted at the same time.
2. Click **Save**. You are prompted to confirm that you want to delete the row. Click **Yes** to continue. Otherwise, click **No**.

You can save edits and delete records in the same step (i.e., the changes are all committed when the record is saved).
