Contact

Registration > Maintenance > Student Enrollment > Contact

This tab allows you to view and maintain a student's contact information.

The Contact tab is not available until you retrieve a student on the Student Enrollment page. For a new student, you must enter and save all required data on Demo1 before proceeding to this tab.

Update data:

Existing contacts are displayed in order by priority.

Field	Description
	This field is displayed in the grid only. The number indicates the priority order of the contacts. Contacts are listed in the grid from highest (i.e., 1) to lowest priority. The priority order can be edited as needed.
	TWEDS Data Element: CONTACT-PRIORITY (E1427)

Click **+Add** to add a contact. The fields in the free-form area below the grid are enabled.

Name	Type the contact's first, middle, and last name. Select a generation code if applicable. Name Edits In Registration, you can enter up to 60 characters each for the first, middle, and last name. The full name is displayed, up to 60 characters, on the Registration Demo pages. In all other student applications, the name is truncated as follows: First: 17 characters, middle: 14 characters, last: 25 characters. Characters used can be a-z, A-Z, hyphen (-), apostrophe ('), or 0-9. However, the last character cannot be a hyphen (-), apostrophe ('), or 0-9. NOTE: The Name fields are disabled if you are entering a hospital contact (i.e., if Relation is set to Hospital). Type the hospital name in the Occupation field.
Relation	Select the contact's relationship to the student, such as a relative, doctor, neighbor, hospital, caseworker, guardian, or other medical facility/person. NOTE: If you are entering a hospital contact, select <i>Hospital</i> and type the hospital name in the Occupation field. This ensures that the hospital name is displayed on Health > Maintenance > Student Health > Emergency.
Enrolling Person	Select if this contact is the person who enrolled the student. Only one contact can be an enrolling person.

2025/12/05 23:07 1 Contact

DOB	Type the contact's	s date of birth in the MMDDYYYY format.					
Address	-	s complete address. Or, click Copy Student Address to s mailing address from the Demo1 tab.					
	The street number allows only alpha, numeric, space, hyphen, period, and and can be a single digit or character.						
	The street name allows only alpha, numeric, space, hyphen, period, apostrophe, up to 60 characters.						
	The apartment nu to 7 characters.	mber allows only alpha, numeric, space, hyphen, and #, up					
	The city field allow characters.	vs only alpha, space, hyphen, and apostrophe, up to 17					
E-mail	Type the contact's	s email address, up to 48 characters.					
	TWFDS Data Flem	ent: EMAIL-ADDRESS (E1243)					
		cannot use the same email address.					
Occupation	Type the contact's	s occupation, up to 25 characters.					
Migrant	Select if the conta	ct is for a migrant student.					
Parent/Guardian		ct is the student's parent or guardian. If selected, the ed and Parent Military fields are enabled.					
Parent Military	Select if the contact has military connections. If selected, Branch of Service and Rank are enabled. Branch of Service is required.						
	Branch of Service	Select the branch of service in which the contact serves.					
	Rank	Type the abbreviation of the military rank of the contact, up to five characters.					
Guardian Verified		that this person has been verified as the parent/guardian for must enter the parent's email address in the Email this option.					
	If selected, the contact's email address can immediately be matched to the email address entered by the parent when registering for a ASCENDER ParentPortal account. If the two addresses match, the contact can complete online registration, and update the student's data.						
	NOTE: This field can be used to bypass the normal email verification process for short-term situations where the normal email address verification process cannot be completed. NOTE: An audit log record will be made to track users who verify parent/guardians.						
	This field is cleare student.	d when the Set Parent Portal IDs utility is run includes the					
Emergency	Select if the conta	ct should be notified in the event of an emergency.					
Receive Mailouts	Select if the contact will receive student documents (i.e., report cards and interim progress reports (IPRs)). The field is required for a contact who is listed as Priority =1.						

2025/12/05 23:07 2 Contact

Language	Select the language in which the student's documents (i.e., report cards and interim progress reports (IPRs)) will be printed for this contact. If blank, the documents are printed in English.				
Phone Preference	corresponding	Select the contact's preferred phone number. If selected, you must enter the corresponding phone number. For example, if you select <i>Cell</i> , the Cell Ph Nbr field is required.			
Home Ph Nbr Business Ph Nbr Cell Ph Nbr Other Ph Nbr	1 7 1	Type the contact's home, business, cell, and other phone numbers, including area code, as applicable.			
Transport Information	Right to Transport	Select if the contact is authorized to transport the student from school. Instructors and administrators will be able to view this information in TeacherPortal on the Student Information page.			
	Driver License	71.			
	Vehicle	Enter the contact's vehicle make, model, predominant color of the vehicle, plate number, and the two-character state that issued the license plate. The fields are optional; however, if you enter the license plate number, you must enter the state, and vice versa.			
	The make and model can be up to 15 characters.				
	The plate number can be up to 8 characters.				
-	nstructors and a	t Right to Transport, if the contact is authorized to transport the administrators will be able to view this information in ion page.			

● In the Driver License fields, type the contact's driver license number and the state issued. The
fields are optional; however, if you enter the driver license number, you must enter the state issued,
and vice versa.

\Box The number can be up to 21 characters. \Box The state is two characters. $lacktriangle$ In the Vehicle fields, type
the contact's vehicle make, model, and select the predominant color of the vehicle. Then, type the
plate number and the state issued. The fields are optional; however, if you enter the license plate
number, you must enter the state issued, and vice versa.

□ T	he make and	d model	can be up	to 15	characters.	☐ The	plate	number	can l	oe up	to	eight
cha	racters. 🗆 Tl	he state	can be up	to tw	o characters	s. Notes	:					

- If you enter a plate or driver license number, you must enter the state.
- The vehicle color choices are aligned with the Texas Department of Motor Vehicle color choices.

7. Click Save.

Note: On the Student Enrollment page, is not necessary to click Save on each tab. You can make changes on multiple tabs and then click Save once.

2025/12/05 23:07 3 Contact 8. To edit a contact record, click spyglass icon. The data is displayed in the fields in the free-form area below the grid.

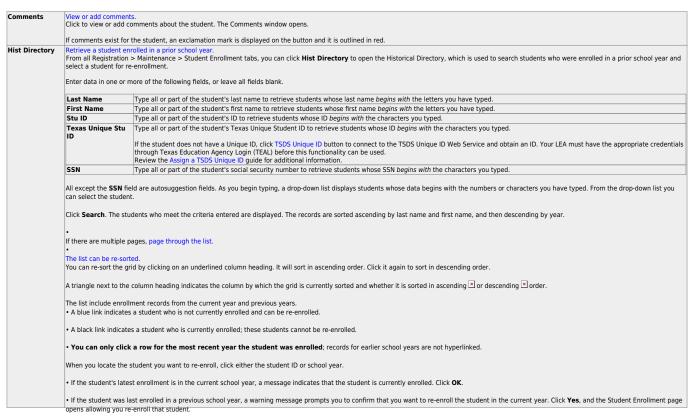

Update the data as needed, and then click Save to save the changes. The changes are displayed in the grid.

- 9. To delete a contact record, click trashcan icon. The row is shaded red to indicate that it will be deleted when the record is saved.
- You can select multiple rows to be deleted at the same time.
- Click Save. A message is displayed asking you to confirm that you want to delete the row.
- Click Yes to continue. The selected rows are deleted. Otherwise, click No.

Note: You can save edits and delete records in the same step (i.e., the changes are all committed when the record is saved).

Click Save.

Other functions and features:

Click **Cancel** to return to the previous page without selecting a student.

Bus Info	View or update the s	student's bus information.								
	Eligible Indicate the	ligible Indicate the student's eligibility to ride the school bus.

Documents

View or attach supporting documentation.

Document Attachments

The Document Attachments feature allows you to upload and view documents by application, school year, folder, and document type. This feature is not available in all districts.

If you are logged on as a user assigned to a Document Attachments-enabled role, the **Documents** button is displayed on various pages in the ASCENDER Student system. If a document is attached, the **Documents** button displays a note icon.

If you have full access, you can upload and download files. If you have read-only access, you can download existing files, but you cannot upload files.

If you are logged on with a role that does not have security access to Document Attachments, the **Documents** button is not displayed on any pages.

Upload or view documents:

☐ Under **Document List:**

Application	The application you are currently logged on to is displayed (e.g., Test Scores).
Folder	In some applications, you must select the folder for which you want to view or attach a document:
	Different types of documents must be uploaded to specific folders.
	Changing the folder will change the document type options in the Select Type field.
	Some applications only have one folder, so no selection is necessary.
Select School Year	Select the school year for which you want to view documents. Student documents are stored by year.

Existing documents are displayed according to specified criteria.

☐ Under Document Upload:

Select File to Upload	Click Choose File. Locate and select the document on your computer or network. The file name is displayed next to Choose File.	
	Note: Files cannot be larger than 10MB or empty.	
School Year	Select the school year for which you want to view documents. Student documents are stored by year.	
Select Type	Select the type of document you are uploading. The list varies according to your selection in the Folder field.	
Description	Type an optional description of the document.	
	Note: The description cannot be longer than 255 characters.	

Upload File	Click to upload the file for the student.
	The document is listed in the Document List section.

The date-time stamp and user ID display the date and time the document was uploaded, and the user ID of the user who uploaded the document.

Any changes made in the Document Options window are saved when you close the window.

Туре	Click the link in the Type column to download the file to your PC to view it.
Choose File	Click again to add another document, and repeat the steps for uploading a document.
ŵ	Click to delete the document from the student's record. You are prompted to confirm that you want to delete the document.

NOTES Deleted documents are not actually deleted from the Document Attachments server. You can retrieve deleted files using the Document Attachments File Recovery utility in District Administration.
