## Registration > Maintenance > Student Enrollment > Demo2

This tab allows you to view and update a student's additional demographic data. The information on the Demo2 tab is not required for enrollment; however, entering a complete demographic record is recommended.

The Demo2 tab is not available until you retrieve a student on the [Student Enrollment](#) page. For a new student, you must enter and save all required data on [Demo1](#) before proceeding to this tab.

### Update data:

Under **Counselor Information:**

<b>Counselor Information</b>	Select the student's counselor. The counselor must already be established on the <a href="#">Principal/Counselor</a> tab.  <b>NOTE:</b> If the student <u>does not</u> have a control number assigned, but <u>does</u> have a counselor assigned, the counselor's name will be displayed/printed on the student's report card in the <b>Counselor/Homeroom Teacher</b> field.
<b>Dt Entry 5th Grd</b>	Type the date on which the student entered 5th grade. Use the MMDDYYYY format, or click  to select the date from a calendar. This field is not displayed prior to the 2018-2019 school year.
<b>Dt Entry 8th Grd</b>	Type the date on which the student entered 8th grade. Use the MMDDYYYY format, or click  to select the date from a calendar. This field is not displayed prior to the 2018-2019 school year.
<b>Dt Entry 9th Grd</b>	Type the date on which the student entered 9th grade. Use the MMDDYYYY format, or click  to select the date from a calendar. This field is used for personal graduation plans (PGPs).  <ul style="list-style-type: none"> <li>• This field is automatically updated for 8th grade students when Move to Grade Reporting is run.</li> <li>• When this field is entered for a new student, or when a blank field is updated for an existing student, the student's <b>Cohort</b> field is automatically updated based on this date plus four years. The update occurs when you press TAB. Be sure to save before leaving the page.</li> </ul> <b>IMPORTANT:</b> Once the <b>Cohort</b> field is updated, the field becomes read only and cannot be changed. If this happens in error, you must delete the student's <b>Dt Entry 9th Grd</b> and save. The <b>Cohort</b> field is cleared. Then, reenter the data and save.

<b>District Entry Date</b>	<p>Type the date on which the student first enrolled in the District. This may be on the current school year or a Historical year date. Use the MMDDYYYY format, or click  to select the date from a calendar.</p> <p>For new students registered from Maintenance &gt; Online Registration &gt; New Student Enrollment, this field is automatically populated with the date on which the student was enrolled.</p> <p>The date is also used for students who did not pass the 10th grade Exit Level TAKS test and changed districts. It is used to extract the students for the fall Exit Level TAKS test.</p>
<b>Birth City</b>	Type the city in which the student was born, up to 17 characters.
<b>Birth State</b>	Type the two-character abbreviation for the state in which the student was born (e.g., TX).
<b>Birth Country</b>	<p>Select the country in which the student was born. The listed countries are set up on <a href="#">Maintenance &gt; District Profile &gt; Tables &gt; Country Codes</a>.</p> <p><b>NOTE:</b> Once you accept the student's Home Language Survey, this field is updated according to the parent's answer to the question <b>What is the student's country of birth?</b></p> <p>The field will be blank if the parent entered a country manually instead of selecting it from the drop-down list.</p>
<b>Cohort</b>	<p>The cohort year is the student's <b>Dt Entry 9th Grd</b> plus four years. A cohort is a group of students tracked from the beginning of a school year through the fall after the expected graduation date, regardless of final status. The cohort year is the ending school year when the student is expected to graduate.</p> <p>The field is automatically populated when you enter the student's <b>Dt Entry 9th Grd</b>, press TAB, and save.</p> <p>If the month entered is between July and December, add 4 years to the Cohort year, otherwise add 3 years.</p> <p>Once updated, the field becomes read-only. The student's cohort year should not be changed unless it was entered in error. To update the cohort year, clear the student's <b>Dt Entry 9th Grd</b> and save. Then, reenter the <b>Dt Entry 9th Grd</b> field, press TAB, and save.</p>

Under **Miscellaneous:**

<b>Primary Language</b>	<p>Click  to <a href="#">select the primary language</a> spoken by the student. If blank, the value in <b>Default Home Language Cd</b> on <a href="#">Maintenance &gt; District Profile &gt; Control Info</a> is used to supply this information on reports.</p> <p><b>NOTE:</b> Once you accept the student's Home Language Survey, this field is updated according to the parent's answer to the question <b>What language does the child speak most of the time?</b></p>
<b>Immig Tracking</b>	Type the two-digit number of years the student has been eligible to receive services through the Emergency Immigrant Education Act, if applicable.
<b>Headstart Code</b>	Indicate the student's eligibility for and participation in the Headstart program.

<p><b>SAT-ACT-TSIA Reimburse</b></p>	<p>Select to indicate that a prior or current LEA has received the one-time allowed SAT, ACT, or TSIA fee reimbursement for the student. If selected, it will be included in the Registration &gt; Utilities &gt; TReX Export. This check box will be disabled if the LEA already selected it in a prior school year.</p>

Under **Dual Language Immersion:**

This data is reported through the Texas Record Exchange (TReX) per SB 671.

<p><b>Year-Language 01-05</b></p>	<p>For each year, indicate the language other than English (LOTE) in which the student is receiving instruction in a dual language immersion program.</p> <p>If <b>Year 05 Language</b> has a value, <b>Completion Year</b> is required.</p>
<p><b>Assessment Date</b></p>	<p>Enter the date on which the student:</p> <ul style="list-style-type: none"> <li>• Achieved high levels of academic competence as demonstrated by performance of meets or masters grade level on the STAAR in English or Spanish, as applicable; and</li> <li>• Achieved proficiency in both English and a LOTE as demonstrated by scores of proficient or higher in the reading and speaking domains on language proficiency or achievement tests in both languages. Use the MMDDYYYY format. Or, click  to select the date from a calendar.</li> </ul>
<p><b>Completion Year</b></p>	<p>Type the four-digit year in which the student successfully completed the dual language immersion program.</p> <p>The field is required if all five <b>Year-Language</b> fields have values. The field must be blank if <b>Year 05 Language</b> is blank.</p>

Under **Receive/Transfer:**

<p><b>Previous District</b></p>	<p>Type the name of the district or the county-district number that the student attended prior to his current enrollment, if applicable, up to eight characters.</p>
<p><b>Previous Campus</b></p>	<p>Type the three-digit ID for the campus the student attended prior to his current enrollment.</p>
<p><b>Last Year Campus</b></p>	<p>The campus the student attended last year is displayed. When Move to Grade Reporting is performed, the current campus is moved to this field.</p>

<b>Last Year Grade</b>	This field is automatically populated with the value entered by the parent when enrolling the student via ASCENDER ParentPortal New Student Enrollment, or whatever value was saved when accepting the new student via <a href="#">Registration &gt; Maintenance &gt; Online Registration &gt; New Student Enrollment &gt; Register Student</a> .  Otherwise, type the student's grade level in the previous school year.
<b>Records Request</b>	Select the location or type of school that requested the student's records. The field applies only to withdrawn students. The codes listed for this field are set up on <a href="#">Maintenance &gt; District Profile &gt; Tables &gt; Records Requested Codes</a> .
<b>Records Forward</b>	If the student withdrew and <b>Records Request</b> indicates that the student's records were requested, indicate if the campus sent the student's records to the requestor. The code entered is user-defined, up to three characters (e.g., YES) and should have some meaning to the campus or district.  The field applies only to withdrawn students.  Leave blank if records were not sent.

Under **Locker**:

The data in these fields is used by the Locker Number Assignment utility.

<b>Number</b>	Type the number for the locker assigned to the student. The number is zero-filled if fewer than six characters are entered.
