Local Programs

Registration > Maintenance > Student Enrollment > Local Programs

This tab allows you to view and update information for students who participate in a local program, such as dyslexic, tutoring, or 504. Local programs also include any crisis events or short-term programs that arise in the district.

Before a student can be enrolled in a local program, the program must be set up by the district on [Maintenance > District Profile > Local Ent/Wd Program Codes](#). Then, the campus must select the program on [Maintenance > Campus Profile > Campus Local Ent/Wd Program Codes](#) to make it available at the campus.

The Local tab is not available until you retrieve a student on the [Student Enrollment](#) page. For a new student, you must enter and save all required data on [Demo1](#) before proceeding to this tab.

Update data:
