Registration > Reports > Registration Reports > Program > SRG0600 - Student Special Program Listing

This report lists students in all grade levels and the special programs in which they are currently enrolled.

For inactive students, the report lists the special programs in which the student was enrolled if the student did not exit the special program, or the student exited the special program on the same date he withdrew from the campus. The report does *not* list special programs for a active or inactive students who exited the program with reason code *EP* (i.e., *exited program*).
