Registration > Utilities > Reset Values

This utility mass resets data in a student's latest enrollment record according to your selections. Data from a student's previous campus is not reset.

Make sure to back up your database before running this utility.

Update data:

Under **Parameters For Reset:**

Select the students whose data will be reset:

Campus	Select to reset data for students at one campus, or leave blank to reset data at all campuses. If selected: Campus ID Select the campus.
Grade Level	Select to reset data for students in one grade level, or leave blank to reset data for all grade levels. If selected: Grd Level Select the grade level.
Track	Select to reset data for students on one track, or leave blank to reset data for all tracks. If selected: Track Select the track.

You must select at least one of the following:

Active Students	Select to reset data for all active students.
Inactive Students	Select to reset data for all inactive students.

If **Items to Reset** is set to *PK Funding*, the following fields are also displayed:
