# Master Schedule

**Scheduling > Maintenance > Master Schedule Generator > Generate Campus Schedule > Master Sched**

This tab allows you to produce the Resource Allocator Master Schedule (NY) report created by the Master Schedule Generator. The report displays the next year course, section, and instructor information.

## View report:

<b>Include All Campus Courses</b>	Select to include courses that were not created by the master schedule generator (i.e., courses that are not on <a href="#">Maintenance &gt; Master Schedule Generator &gt; Resource Allocator &gt; Section Info</a> , but are in the campus master schedule). If not selected, only courses on the Section Info tab are included on the report.
-----------------------------------	--

Click **Retrieve Report**.

- [Review, save, or print the report.](#)

### Review the report using the following buttons:

Click  to go to the first page of the report.

Click  to go back one page.

Click  to go forward one page.

Click  to go to the last page of the report.

### The report can be viewed and saved in various file formats.

Click  to save and print the report in PDF format.
