Stu Sched (Trial Scheduling Load)

Scheduling > Maintenance > Master Schedule Generator > Trial Scheduling Load > Stu Sched

This tab allows you to produce the Student Schedules report which displays the schedules for all students who were completely scheduled by the trial run.

The report is generated after a trial run. For the scheduling load function, print the report before accepting the load.

View report:

| Field | Description |
|-------------------|--|
| Grades | Select a grade level, or select <i>All</i> to include all grade levels. |
| Student ID | Type the student ID. Leading zeros are not required. Or, click Directory to select one or more students from the directory . Leave blank to include all students. |

Click **Retrieve Report**. [Review, save, or print the report](#).
