Student Objectives

Special Education > Maintenance > Student Sp Ed Data > IEP > Student Objectives

This tab allows you to add objectives to a student's Individualized Education Program (IEP). The objectives are selected from a district list maintained on [Maintenance > District > IEP Goals Objectives > Performing Objectives](#).

The student is expected to achieve the objectives in order to accomplish the goal. Each goal is associated with a series of performing objectives, and each performing objective is associated with a series of enabling objectives.

- You must select a student before you can access this tab.
- You must select a goal on the [Student Goals](#) tab before you can add an objective.
